## PERMISSIONS:

- I hereby authorize Jessica Kos-Whicher to publish photos and/or videos taken during lesson or performance for company publications.
- I do not authorize Jessica Kos-Whicher to publish photos and/or videos taken during lesson or performance for company publications.
- Proper posture and special breathing techniques associated with singing is important. A practical application to assess or demonstrate the above may require the instructor placing their hands on the students back, under the ribs on the upper abdomen, neck or jaw. On occasion a student may be asked to place their hands on their instructors back, ribs, neck or jaw if further practical application is required. Please check the box if you consent to this practice.

## PAYMENT:

E-transfer sent to [jessica@jkwmusicstudio.com](mailto:jessica@jkwmusicstudio.com) & credit card.

We are making changes to our current lesson packages & contracts to better serve our families & students. We are excited to present new studio offerings as we grow!

## MISSION STATEMENT:

Musical development is extremely important to us. If the fees for lessons are the difference between music education or no music education, please bring this to our attention. We will do our best to find an equitable solution. Our goal is to inspire the joy of music and art in the spirit of health, wellness and self-esteem.
